Welcome to the new TEEP website

The Teacher Effectiveness Programme (TEEP) was set up in 2002 by the Gatsby Charity Foundation to develop a model of effective teaching and learning drawn from research and best practice. Click the links below to learn more about the programme.

- Learn more about TEEP
- Learn about our activities

TEEP training and our Associates Scheme

We currently train over 600 teachers per year in the 5 day programme, and we are currently developing and piloting a whole school training model. We offer post-training support and resources to those trained. Click the links for more information and how to join the scheme.

- Learn more about TEEP training and support
- Register your interest with TEEP and sign up to our mailing list

DOWNLOAD RESOURCES

Welcome to the Associates homepage

This area of the website offers access to free downloadable resources that support TEEP training in the classroom. The TEEP model of Effective Teaching for Effective Learning was developed in response to the needs of education systems, schools, teachers and students.

- Learn more about the extended TEEP model
- Visit our resources bank and download free resources

TEEP training framework and TEEP in practice

We currently train over 600 teachers per year in the 5 day programme, and we are currently developing and piloting a whole school training model. We offer post-training support and resources to those trained. Click the links for the more detailed information about our training framework and also our first TEEP in practice focus which is on Key Stage 3 mathematics.

- View the latest training venues and dates
- Learn about TEEP in practice and download the resources
